Calm, Cool & Collected

Dip into the cool tones!
Blue is a bright, refreshing,
and revitalizing color
that will add a pop of color to
any space.

Design Tips

H.G.

Match your grout to your tile for a seamless look

K.M.

Don't be scared to mix your metals

M.G.

Not giving yourself too many rules allows you to personalize your space

Designed by

Hailey

Designed by

Heidi

Designed by

Mikaela

Add sculptural pieces,
furniture, plants, and
personal items to complete
your project

Final Touches

Use fixtures to elevate your look! are transitional with different styles and can create a bold contrast in your design.

A Seamless Look

Frame out your accent piece to create a focal point or create a seamless transition

Use pencils in your design to make a more custom personalized look
